

## Interview questions for Mary Jo Fay

### *Please Dear, Not Tonight: The Truth About Women and Sex*

1. What would women tell men about sex if they could say anything?
2. Do you really think that women have “all those headaches?”
3. What are women afraid of in a sexual relationship?
4. What are some typical things that men do that might leave women frustrated in the bedroom?
5. What can a guy do almost guarantee that his partner will have sex with him?
6. Where do you think men and women have gotten off kilter in the bedroom to begin with?
7. What did Freud have to do with it?
8. Why do you think women get frustrated with men in the sexual side of the relationship?
9. Do women really fake orgasms and if so, why?
10. How are men and women different in the bedroom?
11. You shared with me some incredible statistics about abuse that affect people’s sex lives... would you share those with the audience.
12. You rather scoff at the question, “Why is it men just want to get lucky,” and claim that luck has little to do with it. Please tell me more.
